

ARABIAN RANCHES

SEA BREEZE

Project Summary

Arabian Ranches is a distinctive coastal development along the Caspian Sea, where Eastern heritage meets contemporary elegance.

Blending the richness of Arabian design with the serene charm of the Azerbaijani coast, it creates a harmonious retreat shaped by cultural legacy and natural beauty.

“A symphony of two worlds”, it seamlessly unites the timeless traditions of the East with modern sophistication. Every detail—from the rhythm of the waves to the intricate facades and graceful architecture, works in unison to craft an immersive living experience.

The development features a diverse selection of residences, including 80 triplex four-bedroom townhouses and 970 apartments ranging from studios to spacious three-bedroom layouts.
